Are you really...

The descendant of Jack-o-lanterns?

I remember... My mother taught me a long time ago!

...

I'm honored to be recognized by the descendant of Santa Claus.

About that face...

Mom.

What did you think when you saw that pumpkin?

Ha ha ha... Since you're the only son of this family, I'll have to teach you this.

What's this?

...Mmm...

But looks fun.

A little... Scary...

And it seems strong, I'd like to be its friend... Maybe...

PIOP

He's a Jack-o-lantern.

He's the star of Halloween.

You're right.

Except for one thing.

T/S: She really said ":>"

BUT Y'KNOW BECAUSE CHRISTMAS IS A BIG EVENT AFTER ALL!!

BLABBERING

BLABBER

Well, Halloween itself is a prelude, or an extra, or a side festival to Christmas.

They're really dangerous!

But,

...Sad-ists?

Don't be friends with them.

Okay? If someone claims to be a descen-dant of the Jack-o-lantern,

They're sadists who love to scare people, and are extremely strong.

Lantern Nihei...?

How strong is...

Oh... Sorry to bother you on our first time meeting.

So these are your pursuers?

We are descended from the same festivals, so let's work together.

As "Santa and Jack-o- lantern".

LIFT

CLICK

CLINK

Huh?

...Huh?

You were melting them with the light!

Hey...That flashlight is your weapon, right?

What!?

My battery died.

WE DON'T HAVE TIME FOR THIS!

No, just AA...

Shall I go to the convenience store and buy some AAA bateries?

What... Why does he look so distracted? He's not what I heard about at all!

This guy...

...Is an extremely strong sadist?

?!

No, not really.

Do you have any other weapons?

POW

That's all I needed.

So you've been guarding this place with just a flashlight?

Damn it! They're gonna get inside the place.

Amaya, take Ms. Hyoudou to the back!

Super presby-opic!*

OLD MAN

*The gradual loss of being able to see close objects

CREAK

Because I'm...

Oh no...! I'm not good at fighting in the dark.

BZZT

It's closing ...

RRRR

.....

.....

.....

.....

Found my spare batteries.

!?

In my back pocket.

!?

!?

This way.

It's getting kinda fun, isn't it?

CLICK

Have you ever been exposed to strong light containing X-rays?

!?

I wonder why do I feel as if their lives are in my hands...

W-what...

...When I x-ray a person?

Now those are some nice old bones.

AAA
AAA
HHHH

"...Scare people."

"They love to ..."

"And are extremely strong."

Hgnh... No.../

You're next.

CRACK

You looke pale.

H-

Drinking puts a hole in your liver, y'know.

CLICK

SPLOSH

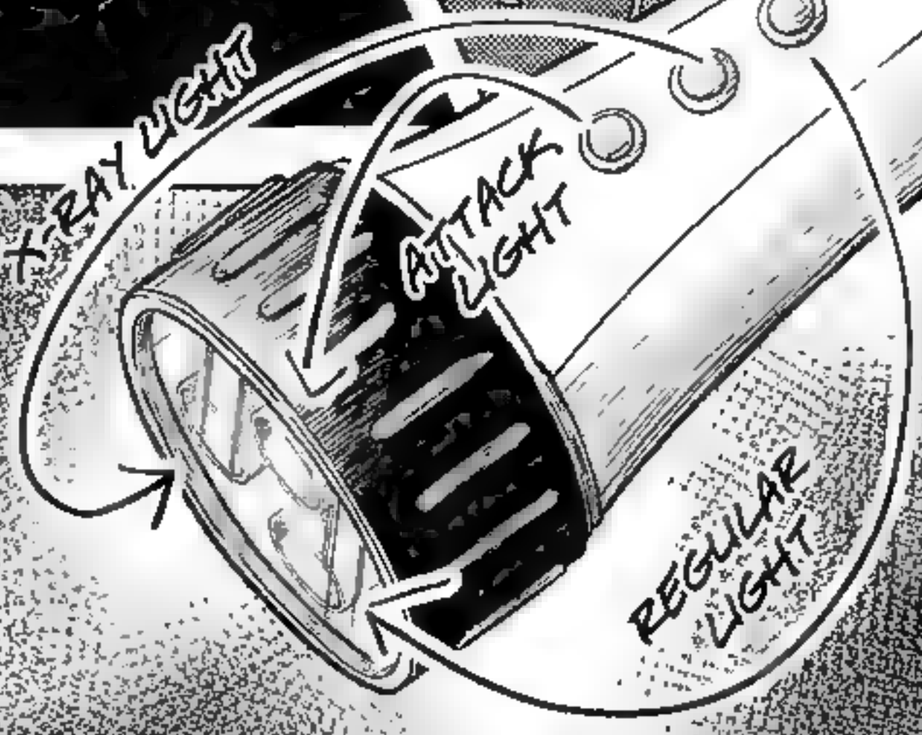
"SADIST"

Maybe he lied about the batteries running out.

I see...

He used an x-ray light and another light to aim at...

Since you can't see that much with your old eyes...



Just trying to make up his own horror story...

Anyone else want to be X-rayed?

CLICK

I'm starting to see what this guy is really after...

Run! The door is open! C'mon!

SHUT

Finally, they're out of the way.

Actually, I've always wanted to fight you, Santa Claus.

BADUMP

It's Merry Christmas to you.
